

SKH LAM KAU MOW SECONDARY SCHOOL

Programme Evaluation Report for DLG-funded Other Programme (Gifted Education) 2019-2020

Programme	Objectives	Target students	Duration	Evaluation	Expenditure
Mathematics Olympiad F.4 Training Class	To train students for mathematics contest To let students learn more mathematics	10 F.4 students	7 sessions 1.5 hrs@	The attendance rate was almost 100%. Tutor was responsible. Students were keen on learning more mathematics knowledges. All students could obtain prizes in mathematics competitions. There was no lesson in the second term due to school suspension.	\$2,233
Mathematics Olympiad F.5 Training Class	To train students for mathematics contest To let students learn more mathematics	10 F.5 students	7 sessions 1.5 hrs@	The attendance rate was almost 100%. Tutor was responsible. Students were keen on learning more mathematics knowledges. All students could obtain prizes in mathematics competitions. There was no lesson in the second term due to school suspension.	\$2,233
Mathematics F.6 Enrichment Class	To help students better prepare themselves for DSE	14 students	5 sessions 1.5 hrs@	Students learnt some techniques in solving HKDSE questions. They were more confident in the preparation of public exam. There were fewer lessons due to the social incident and pandemic so that the tutor couldn't go through many past papers with students.	\$1,500

Programme	Objectives	Target students	Duration	Evaluation	Expenditure
Solo Verse Speaking Class	To train students' pronunciation and delivery skills To prepare students for Schools Speech Festival	5 F.4-F.5 students	10/2019-12/2019	Objective has been achieved. 5 students received training and 2 of them got prizes and the remaining for Merit in the Hong Kong Schools Speech Festival. Students commented that the training was personalised and useful to improve their skills.	\$3,000
Public Speaking Class	To polish elite students' eloquence and presentation skills in public speaking To enhance students' confidence in speaking in front of audience and prepare students to join speech competitions	9 F.4-F.6 students	10/2019-12/2019	Partially achieved because not all target students were able to meet the coach in the designated training sessions and some of the events were cancelled. However, students who managed to join the training sessions reported becoming more confident with delivering speech in front of an audience. The alumni's support has alleviated teachers' coaching workload.	\$5,000
Physics Enrichment Programme A	To enhance students' knowledge in Physics	15 F.6 students	10 sessions	Cancelled.	\$0

Programme	Objectives	Target students	Duration	Evaluation	Expenditure
Physics Enrichment Programme B	To enhance students' knowledge in Physics	9 F.5 students	10 sessions 23/9-9/12	Only 6 students completed the programme. The students reflected that they learnt a lot in it. The tutor had explained the past papers to them in details. They were more confident in taking the school examination.	\$4,000
Physics Olympiad Training Programme	To enrich students' knowledge in Physics	2 F.4 students 3 F.3 students	18 sessions	First term: 7 lessons were face to face sessions. Second term: 11 lessons were online sessions. Students reflected that they learnt a lot in the programme. The tutor had explained the past papers to them in details. They were more confident in joining the competition.	\$7,200
Chemistry F.5 Enrichment Class	To enhance students' skills and knowledge and to improve their academic performance in public exam	15 F.5 students	1 st term: 11/19	One DLG group was arranged for F.5 students in 1 st Term. The tutor was enthusiastic and boosted the learning atmosphere of F.5 students. The tutor was helpful in sharing revision strategies. His interaction with students enhanced students' learning motivation and self-directed learning potential. As school was suspended after the Lunar New Year holidays, no tutorial group was arranged for the 2 nd Term.	\$2,000

Programme	Objectives	Target students	Duration	Evaluation	Expenditure
BAFS Enrichment Programme	To enhance students' skills and to improve their academic performance in public exam	14 F.5 students 14 F.6 students	10/2019-7/2020	It's cancelled due to the outbreak of COVID-19 and school suspension.	\$0
Geography F.6 Enrichment Class	To enhance students' examination skills and to improve their academic performance in public examination	8 F.6 students	10/2019-4/2020	50% of the students who joined the class got level 4 or above in the DSE Geography examination.	\$5,000
Economics Enrichment Programme	To enhance students' knowledge in Economics	15 F.6 students	9/2019-2/2020	<p>In 2020, around 70% of the students joining the Enrichment Programme scored level 4 or above, and around 25% of the class got level 5 or above in the Economics.</p> <p>Compared to previous years, 3 students scored level 2 or below, which implied the overall performance was not satisfactory.</p> <p>In the future, boosting students to score higher than level 5 will be the objective. It is hoped that the number of students scoring level 5* or above will also increase.</p>	\$9,000

Programme	Objectives	Target students	Duration	Evaluation	Expenditure
