

**SKH LAM KAU MOW SECONDARY SCHOOL**

**Programme Evaluation Report for DLG-funded Other Programme (Gifted Education) 2020-2021**

<b>Programme</b>	<b>Objectives</b>	<b>Target students</b>	<b>Duration</b>	<b>Evaluation</b>	<b>Expenditure</b>
Physics Enrichment Programme	To enhance students' knowledge in Physics	F.5 15 students	17/3/2021- 1/6/2021 (10 sessions)	The average attendance rate of 10 sessions is 76%. The students reflected that they have learnt a lot in the class. The tutor had explained the past papers to them in details. They were more confident in taking the school examination.	\$5,000
Training Programme for HKPhO	To enrich students' knowledge in Physics	F.4 2 students F.3 10 students	28/6/2021- 30/7/2021 (10 sessions)	An experienced ex-Physics teachers was hired to train the students and aimed at the competition next year.  According to the course evaluation survey, 91.7 % of students concentrated on lessons. 83.3% of students actively participated in discussion.  91.7 % of students did the classwork seriously.  66.7% of students could master what the instructor taught.  83.4 % of students agreed that the courses enriched their physics knowledge.	\$10,800

				91.7 % of students agreed that the courses aroused their interest in physics.	
Music-In-School Programme	Provide teaching service on the programme to students studying in the school who will sit for the Music Examination of HKDSE in 2022	F.5 2 students	Sep 2020 – Jul 2021 (114 hours)	Students have three-hour-classes once a week. According to the comments from teachers in Hong Kong Secondary School Music Education, our student performed well.	\$14,381.60
Public Speaking Class	To polish elite students eloquence and presentation skills in public speaking To enhance students confidence in speaking in front of an audience To prepare students to join speech competitions (Hong Kong Speech Festival/ HKFY Public Speaking Contest) and performance on Open	F.4-F.6 10 students	Oct 2020 - May 2021 (10 sessions)	Partially achieved because not all target students were able to meet the coach in the designated training sessions. However, students who managed to join the training sessions reported becoming more confident with delivering speech in front of an audience.  In total, 6 students have joined the training. The alumni's support has alleviated teachers' coaching workload and 3 out of 6 students have got awards, including the champion, the second and the third. Students made improvement in presentation and speech and the outstanding students showcased in the	\$4,750

	Day			winners' performance in April, which can help motivate more students to join speech events to hone their speaking skills.	
Dramatic Duologue (Basic) Class	To polish elite students eloquence and presentation skills in public speaking To enhance students confidence in speaking in front of an audience. To prepare students to join speech competitions (Hong Kong Speech Festival/ HKFY Public Speaking Contest) and performance on Open Day.	F.4-F.6 10 students	Oct 2020 - May 2021 (10 sessions)	It was cancelled due to the outbreak of COVID-19 and school suspension.	\$0
Solo Verse Speaking Class	To train students' pronunciation & delivery skills. To prepare students for Hong Kong Schools Speech Festival	F.4-F.5 8 students	Oct 2020 - May 2021 (12 sessions)	Objective has been achieved. 4 students received training directly from the coach without any support from teachers. All of them got Merit in the Hong Kong Schools Speech Festival. Students commented that the	\$3,000

				training was personalised and useful to hone their solo verse speaking skills.	
Mathematics Olympiad F. 4 Training Class	Math Contest Training	F.4 5 students	10 lessons	It was cancelled due to the outbreak of COVID-19 and school suspension.	\$0
Mathematics Olympiad F.5 Training Class	Math Contest Training	F.5 5 students	10 lessons	It was cancelled due to the outbreak of COVID-19 and school suspension.	\$0

Introduction to Architecture/ Interior Design Workshop	To widen the students' horizon and interest in architectural/ interior design To enrich artistic skills, master visual language and develop further in the visual arts	F.4-F.5 20 students	4 weekends	It was a workshop designed for those who is interested in spatial planning or in Architecture or interior design study. The 4-days workshops cum an excursion on the island side were carried out by our alumni, Mr. Tommy Tam, an alumnus, working in the Architectural Services Department. All the students had a positive response and they	\$2,486.16

	<p>discipline through learning design</p> <p>To develop a bonding between the alumni and their siblings through learning in design</p>			<p>found the workshop very fruitful and comprehensive. They were impressed by the tutor’s professionalism and the passion towards his career. Special complements to Tommy for his generous offer, he has declined for any tuition fee, which was reverted as the subsidy for the coach charges and reference books.</p>	
<p>Ceramics Throwing Class</p>	<p>To develop students’ creativity and imagination</p> <p>To further enhance students to be self-directed learners and problem solvers with effective learning habits and problem-solving skills</p> <p>To enrich artistic skills, master visual language and develop further in the visual arts discipline through learning ceramics</p>	<p>F.3-F.6</p> <p>20 students</p>	<p>6 weekends</p>	<p>The workshops were postponed and carried out in 2 sessions. Session 2 was carried out in summer break, which is a new practice. Both teachers and students welcome the arrangement as it would be more flexible. Students enjoyed the workshop, they found it challenging and inspiring. With the expertise and caring of the tutor, Mr. Chan Chi Man, they showed satisfactory progress in handling the throwing pottery and glaze application. Effort of the tutor is highly appreciated.</p>	<p>\$9,000</p>

Econ F.6 Elite Class	To enhance students' examination skills and to improve their academic performance in public exam	F.6 15 students	Oct 2020 - Jan 2021	In 2021, around 100% of the students scored level 4 or above, and around 40% of the class got level 5 or above in the Economics.  Compared to previous years, no student scores level 3 or below, which implies the overall performance is satisfied.  In the future, boosting students to score higher than level 5 will be the objective. It is hoped that the number of students scoring level 5* or above will also increase.	\$12,000
Econ F.5 Elite Class	To enhance students' examination skills and to improve their academic performance in public exam.	F.5 15 students	Mar 2021 - Jun 2021	It was cancelled due to the outbreak of COVID-19 and school suspension.	\$0
Geography F.6 Enrichment Class	To enhance students' examination skills and to improve their academic performance in public exam	F.6 6 students	Oct 2020 - May 2021	68% of the students who have joined the class got level 4 or above in the DSE Geography examination.	\$8,000
BAFS F.5 Enrichment Program	To enhance students' examination skills and to improve their	F.5 12 students	Nov 2020 - Jul 2021	It was cancelled due to the outbreak of COVID-19 and school suspension.	\$0

	academic performance in public exam.				
BAFS F.6 Enrichment Program	To enhance students' examination skills and to improve their academic performance in public exam.	F.6 12 students	Nov 2020 - Jul 2021	It was cancelled due to the outbreak of COVID-19 and school suspension.	\$0
Economics F.6 Enrichment Class	To enhance students' examination skills and to improve their academic performance in public exam	F.6A 10 students	Mar 2021 – May 2021	The attendance rate was good (over 70%). Students were more confident in the Economics public exam. The feedback of students was good.	\$3,150
Chemistry F.5 Enrichment Classes	To enrich students' chemistry knowledge	F.5 18 students	Nov 2020	The Chemistry Department had planned to organize one enrichment course for F.5 students in each term. However, due the pandemic of Covid 19 at the end of the 1st term, students were not allowed to have lessons in school in the afternoon. The tutor had to conduct the lessons online. There were 18 students joined the course.  The attendance percentage of the lessons conducted in school was 78% and it was dropped to 61% when the lessons were conducted online. After consulting students'	\$2,100

				<p>and tutor’s opinions, the department decided not to organize the enrichment class in the 2nd term. At a result, only one enrichment course was arranged for F.5 students in 1st term.</p> <p>The alumnus was helpful in sharing skills of preparation for public exam. The learning materials prepare by the alumnus helped students to clarify misconceptions in chemistry. Students found that working in tutorial group was very helpful. Students’ learning motivation was promoted.</p>	
Biology F.5 Enrichment Class	To enhance students’ examination skills and to improve their academic performance in public examination	F.5 8 students	Jul 2021 – Aug 2021	Students learnt techniques in solving HKDSE questions. The attendance was very good. It is over 90%. The tutor also focused on the content which will be covered in F6. The exam technique related to these topic also covered. Students found the program practical and exam-oriented.	\$1,800
				<b>Total</b>	<b>\$76,467.76</b>
