**Programme Evaluation Report for DLG-funded Other Programme (Gifted Education) 2023-2024**

<b>Programme</b>	<b>Objectives</b>	<b>Target students</b>	<b>Duration</b>	<b>Evaluation</b>	<b>Expenditure</b>
Chinese Speech Training	To prepare students for Speech Festival	F.4-6 3 students	Oct 2023 - Dec 2023	Students performed well in the Speech Festival and won awards.	\$6,480
F.5 Mathematics Olympiad	Math Contest Training to further strengthen their Math skills	F.4-5 5 students	16 lessons	Students showed a strong enthusiasm for expanding their mathematical knowledge. However, some activities clashed with their schedules, leading to a few students dropping out midway. Overall, the feedback from students was positive.	\$13,446
F.6 Enrichment	To enrich students' mathematics knowledge and skills	F.6 20 students	10 lessons	It was cancelled because a suitable tutor could not be found.	\$0
Public Speaking	To polish elite students' eloquence and presentation skills in public speaking. To enhance students' confidence in speaking in front of an audience. To prepare students to join speech	F.4-6 10 students	Oct 2023 – May 2024 (36 sessions)	Achieved, with eNotice specifying the date of training sessions in advance and with many of the target students being supported by the coach on top of English teachers' guidance.  In total, 12 students have joined the Hong Kong Schools Speech Festival and the training. The DLG support has alleviated teachers' coaching workload and 6 out of 12 students have got awards in the Hong Kong	\$7,600

	competitions (Hong Kong Speech Festival/ HKFY Public Speaking Contest) / Performance on Open Day			<p>Schools Speech Festival, including the second and the third. Students made improvement in presentation and speech.</p> <p>Later, 6 other students also signed up for various public speaking events in the second term, with merits.</p> <p>It is hoped that in the coming school year, the coach can provide more intensive training to improve students' delivery and get students to respond to questions immediately.</p>	
Solo Verse Speaking	To train students' pronunciation & delivery skills. To prepare students for Hong Kong Schools Speech Festival / other online competitions	F.4-6 6 students	Sep 2023 - May 2024 (12 sessions)	<p>The objective has been achieved.</p> <p>10 students received training directly from the coach without the need for teacher support. All of them got Merit in the Hong Kong Schools Speech Festival. Students commented that the training was personalized and useful to hone their solo verse speaking skills as well as solo prose reading.</p>	\$3,600
Music-In-School Programme	To provide teaching service to students studying in the school who will sit for the music examination of	F.4 and F.6 2 students	Sep 2023 - July 2024 (108 +54 hours)	Students have a three-hour class once a week. According to the comments from teachers in Hong Kong Secondary School Music Education, our students performed well.	\$18,207.70

	HKDSE in 2024 and 2026				
Physics Enrichment Class 1	To enhance students' knowledge in Physics and learning skills	F.5 20 students	Apr 2024 - Jun 2024	The average attendance rate was around 70%. The students reflected that they had a quick review on Physics concepts. The tutor explained the concepts to them in detail and maintained an engaging learning atmosphere. The tutorial classes helped them deal with hard questions in the HKDSE examination.	\$9,000
Physics Enrichment Class 2	To enhance students' knowledge in Physics and learning skills	F.6 16 students	Oct 2023 - Dec 2023	The average attendance rate was around 80%. Students agreed that they actively participated in the class. The tutor explained the concepts to them in detail and maintained an engaging learning atmosphere. The tutorial classes helped them deal with hard questions in the HKDSE examination.	\$7,000
Physics Enrichment Class 3	To enhance students' knowledge in Physics and learning skills.	F.6 20 students	Feb 2024 - Apr 2024	Cancelled	\$0

	and learning skills				
Introduction to Architecture/ Interior Design Workshop	<p>To widen the students' horizons and interest in architectural/ interior design.</p> <p>To enrich students' artistic skills and help them master visual language and develop further in the visual arts discipline.</p> <p>To develop a bonding between the alumni and the present students.</p>	F.4-5 9 students	Jun 2024 – Aug 2024	<p>The annual workshops were once again facilitated by our alumnus, Mr. Tommy Tam, who works at the Architectural Services Department. The workshops catered to the students who were interested in spatial planning, architecture, or interior design. This year's program featured 4 workshops and a field trip to Central and Admiralty, where participants had the opportunity to explore heritage architecture, including the Asia Society Hong Kong and PMQ.</p> <p>The students provided positive feedback, finding the workshops informative and comprehensive. They were particularly impressed by the tutor's professionalism and passion for his work. Overall, the workshops was a valuable learning experience for the participants.</p>	\$3,844.40
Wheel Throwing Class	<p>To develop students' creativity and imagination.</p> <p>To further enhance students to be self-directed learners and</p>	F.4-5 10 students	Jul 2024	<p>The workshops were carried out on schedule, following the same condensed 3-week format adopted the previous year. Both the tutor and students welcomed this arrangement. The studio space, which accommodated the art teacher and up to 10 participants, was well-</p>	\$8,080

	<p>problem solvers with effective learning habits and problem-solving skills.</p> <p>To enrich artistic skills and help them master visual language and develop further in the visual arts discipline through learning ceramics.</p>		<p>suited for the workshop. Under the tutor’s supervision and guidance, the students found the experience to be rewarding. Several participants were even willing to invest extra time to complete their work.</p> <p>Only one student was able to attend all the lessons, and this individual was eligible for a \$100 refund from the \$300 tuition fee. The remaining tuition funds were used to subsidize the tutor’s fee. It’s suggested that the student fee be adjusted from \$300 to \$400 next year.</p> <p>The students demonstrated satisfactory progress in mastering the pottery throwing techniques. The tutor’s dedicated efforts were highly commendable.</p> <p>Overall, the streamlined workshop format and the tutor’s expertise contributed to a successful and rewarding learning experience for the participants.</p>
