Programme Evaluation Report for DLG-funded Other Programme (Gifted Education) 2022-2023

Programme	Objectives	Target students	Duration	Evaluation	Expenditure
Chinese Composition Gifted Class	To raise the interest and develop students' talent in Chinese Composition	F.6 20 students	Nov 2022 - Mar 2023	The workshops in the enrichment class have greatly inspired students in their ideas and writing skills. Tests and reviews can also point out the strengths and weaknesses of students' performance and make suggestions to improve their writing skills.	\$8,000
F.6 Economics Elite class	To enhance students' examination skills and to improve their academic performance	F.6 11 students	Sept 2022 - Feb 2023	<p>In 2022, because of COVID 19, some of the lessons are online lessons, exam skills are the major focus. Around 70% of the students scored level 4 or above, and around 20% of the class got level 5 or above in the Economics.</p> <p>Some student scores level 3 or above, which implies the overall performance is above average.</p> <p>In the future, boosting students to score higher than level 5 will be the objective. It is hoped that the number of students scoring level 5* or above will also increase.</p>	\$11,000

F.4 Mathematics Olympiad	Math Contest Training	F.4 3 students	8 lessons	Students were keen on learning more Mathematics knowledge. They clashed with some other activities so that they dropped out in the middle.	\$2,988
F.5 Mathematics Olympiad	Math Contest Training	F.5 2 student	8 lessons	The attendance rate was good (almost 100%). Students were keen on learning more Mathematics knowledge. The feedback from students was good. All participants agreed that they are satisfied with the arrangements.	\$2,988
F.6 Mathematics Enrichment	Provide extended opportunities for students to learn Mathematics	F.6 20 students	10 lessons	It's cancelled as no suitable tutor was found.	\$0
Public Speaking	To polish elite students' eloquence and presentation skills in public speaking. To enhance students' confidence in speaking in front of an audience. To prepare students to join speech competitions (Hong	F.4-6 10 students	Oct 2022 - May 2023 (26 sessions)	Partially achieved because not all target students were able to meet the coach in the designated training sessions. However, students who managed to join the training sessions reported becoming more confident with delivering speech in front of an audience. In total, 10 students have joined the training. The alumnus' support has alleviated teachers' coaching workload and 3 out of 6 students have got awards, including the champion, the	\$7,200

	Kong Speech Festival/ HKFY Public Speaking Contest) / Performance on Open Day			second and the third. The students made improvement in presentation and speech. It is hoped that in the coming school year, the coach can provide more intensive training to improve students' delivery and get students to respond to questions immediately.	
Solo Verse Speaking	To train students' pronunciation & delivery skills. To prepare students for Hong Kong Schools Speech Festival / other online competitions.	F.4-6 6 students	Sep 2022 - May 2023 (8 sessions)	The objective has been achieved. 6 students received training directly from the coach without any support from teachers. All of them got Merit in the Hong Kong Schools Speech Festival. Students commented that the training was personalised and useful to hone their solo verse speaking skills.	\$5,400
Music-In-School Programme	To provide teaching service to students studying in the school who will sit for the music Examination of HKDSE in 2024	F.5 2 students	Sep 2022 - July 2023 (108 hours)	Students have three-hour-classes once a week. According to the comments from teachers in Hong Kong Secondary School Music Education, our student performed well.	\$17,538.50

F.5 Chemistry Enrichment Classes	To enrich students' Chemistry knowledge and prepare for the DSE Exam	F.5 18 students	17/3 - 2/6	The alumnus shared very useful skills in preparing the DSE examination. The learning materials prepared by the him helped students clarify misconceptions in chemistry. Students found that working in the study group formed is very useful. The learning motivation was promoted. ≥93% of students who participated in his study group reported that the he could help them improve their study skills.	\$5,000
Introduction to Architecture/ Interior Design Workshop	To widen the students' horizons and interest in architectural/interior design. To enrich students' artistic skills, master visual language and develop further in the visual arts discipline through learning design. To develop a bonding between the alumni and the present students	F.4-5 20 students	4 weekends (12 hours)	It's a workshop designed for those who are interested in spatial planning, architecture or interior design. Same as last academic year, the 4 sessions workshops were conducted by an alumnus, Mr. Tommy Tam, working in the Architectural Services Department. All the participated students found the workshop very fruitful and comprehensive. They were impressed by the tutor's professionalism and the passion towards his career.	\$4,953

	through learning design.				
Wheel throwing class	To develop students' creativity and imagination. To further enhance students to be self-directed learners and problem solvers with effective learning habits and problem-solving skills. To enrich artistic skills, master visual language and develop further in the visual arts discipline through learning ceramics.	F.3-6 9 students	6 weekends	<p>The workshops were carried out on schedule. The workshops were condensed to 3 weeks as last school year in August. Both the tutor and students welcomed the arrangement. The students enjoyed the workshop. Under the supervision and advice made by the tutor, they found the workshop rewarding. Some of them were willing to use extra time to finish their work. Nonetheless, less than half of them could attend all the lessons.</p> <p>They showed satisfactory progress in handling the throwing pottery. The tutor was impressed by the fine drawing as the glaze decoration by the students. Effort of the tutor is highly commendable.</p>	\$9,000

Total \$93,067.50
